

Orange Class

Week beginning 21st January 2019

Maths We will start to learn about multiplication and division. The first step of this is to recognise equal and unequal groups, and to say how many of each equal group there is. The times and divide signs will be introduced.

Complete the stem sentence.

There are ___ equal groups with ___ in each group.

Complete the sentences to describe the equal groups.

$$\square + \square + \square = 18$$

$$\square \times \square = 18$$

There are ___ equal groups with ___ in each group.
There are three ___.

English In English we will be exploring a traditional tale from India and thinking about oral retellings of stories. We will use objects to tell our own stories and write them. We will think about special memories of our own and recording these in books.

Topic We will be learning more about our topic, People Who Changed History. This week we will find out about Queen Elizabeth 1st,
