

# Orange Class

## Week beginning 23rd April 2019

**Maths** We will continue to learn about fractions. We will learn how to find a quarter of a number of a shape or a number of objects, making sure that we can explain that it is one of four equal parts.

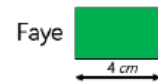

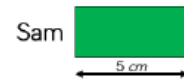

Sam and Faye each have a piece of ribbon that they have cut into quarters.

Four friends are sharing a cake.

The cake is split into  equal parts.

Each part is worth a

This is the same as

How long was Sam's whole piece of ribbon?

**English** We will continue our learning about Moths. We are finding out more about the Peppered Moth's evolution, investigating the Industrial Revolution and how this changed the Peppered Moth. We will think about how humans have changed the natural world and write poems sharing our thoughts.

**Topic** We will begin our new topic, Oceans. We will start by thinking about what we already know about oceans and what we would like to find out, before planning how we will investigate together.
