Dear Parents and Carers,

We have had a good week in school with lots of learning going on in the classrooms and exciting new climbing and building equipment on the playground for EYFS and KS1.

Jodie Wallace

Consultations

We are looking forward to seeing as many of you as possible at consultations next week. This is a valuable time for you to be able to meet with your child's teacher to discuss their progress and what you can do to support this. Please arrive 10 minutes prior to your appointment time and make your way to the hall where you can look at your child's books before being taken to the classroom.

School Clubs

A reminder that there will be no teacher led clubs next Wednesday and Thursday as teachers will be busy doing parent consultations.

Headlice

There have been several reports of headlice in school this week. Can you please check your child's hair this evening and treat accordingly.

Playground Equipment

You will have noticed that we have some new climbing / building equipment for KS1 on the playground. Please can we ask that pre-school children do not climb / play on this at the end of the day, for health and safety reasons.

Art Exhibition

We mentioned in the newsletter last week about a whole school Art Exhibition. We have had to change the date of this and it will now be held on Friday 7th June. All families will be welcome to come in to look at the work during the afternoon and we will send you time guides nearer the time. (There will be no certificate assembly on this day).
