Newsletter No 33.

Friday, 20 June 2025

Dear Parents and Carers,

How lovely to see the sunshine this week! Please ensure your child is wearing sun cream when they come to school and that they have a water bottle and a hat or cap.

Joanne Hare

Summer Reading Challenge

As you will be aware, Hawkhurst Primary has won the Summer Reading Challenge trophy for the last two years, for having the most children participate. This week we have had to hand the trophy back and we would really like to win it again next year.

We are intending to take all the children into the library before the end of the summer term to get them signed up. To do this they will need to be a member of the library. If your child is not a member, please could you pop into the library and register them – it is free to join, very quick and easy and they can then take part in the reading challenge.

Last week we had a PTA meeting and have put together a calendar of events for the next academic year. Details will be sent out to you of these events in due cause. We very much hope you will support the work the PTA are doing. With school funding at an all time low, we very much appreciate the money being raised, which will benefit every child in school.

Sand Pit

Children from across the whole school are having great fun in the new sand pit. Ideally, they need to bring a sun hat or cap if they are wanting to go in there at lunch time. We would still appreciate any donations of beach buckets and spades and other small plastic beach toys if you have any that you no longer want.

End of Year Assessments

Children in Years 1 – 6 will be doing their end of year assessments next week. You will not be sent the results in the same format as the autumn and spring results as they will be added to your child's end of year report.

Sports Day

Thank you to everyone who came along to Sports Day and thank you to all the staff for the organisation.

Our KS1 winners were: Romans

Our KS2 winners were: Saxons

Red Class Trip

Year 1 went to The Rare Breeds Centre, Woodchurch on Tuesday. They had a lovely time petting animals in the barn, watching and chatting about the different animals, sweltering in the butterfly dome, enjoying the tractor ride and finding lots of minibeasts during the bug hunt. Of course, they also had great fun at the park area. Mrs Elmes and the rest of the staff would like to say thank you to the parent helpers that came with us and we are also grateful to Mrs Paton who spent her birthday with us. Red Class made us proud with their behaviour and their resilience in the heat.

Green Class Trip

Green Class had an amazing trip to the Herstmonceux Observatory Science Centre! The children became scientists for the day and were fully engaged with the hands-on exhibits, and investigating different scientific phenomena. They fully immersed themselves in all of the topics, from sound, senses and the wonders of astronomy and the solar system. They had fun in the discovery park and asked lots of insightful questions and discovered some interesting facts. It was a fantastic trip, filled with learning and fun! The children also thoroughly enjoyed the bridge building workshop, where they worked together as a team to construct a truss bridge.
