Sports day

This year's KS2 sports day was very close. Danes came in first place for the second year running which is impressive. The Romans were in second place, Saxons were in third place and the Normans were in fourth place but it was a very close call.

KS1 winners were the Normans. Well done to everyone who got involved.

Year 6 Play

Year Six put on an excellent performance for the parents and the school. We worked extremely hard but it all paid off when we did it. The play was a funny school version of Eurovision and was hilarious and emotional for all. We had a few tears from Mrs Harper, but all round it was great. We sang the songs fabulously and did the actions.

Hip Hop enrichment

The hip hop dance we learnt was extremely fun—I especially liked the posing at the beginning. We got to choose our groups and it really was just a fun dance. All years got to do it and I'm sure they all enjoyed it and all had a go. The lady teaching us the dance was very nice and we all had a great time and would love to do it again. We performed to upbeat songs and I would recommend this to lots of children who want to have a laugh and dance.

Careers Day

This day was fun and educational for all years. We met lots of people and learnt about their jobs. We met an army cadet and he told us about all the training cadets have to do to be able to be called out to war. His bags were very heavy and we had a lot of fun some of us were inspired to join the cadets. Throughout the school, multiple people came and told us about their jobs, such as police officers, AI collaborators and emergency call answerers. Lots of student were inspired and we are all very grateful towards Miss Eastwood, who set it up.

Art Exhibition

This years art exhibition was spectacular. Everybody tried their hardest and it payed off. We oved all the art, but especially Y2 and Y3's work because it was extraordinary and they worked very hard on it. We liked the fact that the local pre school got involved too and painted some beautiful sunflowers. We enjoyed the whole event and we are sure the parents did too. We loved the fact that the hall was decorated with beautiful flowers which just made it a lot more impressive. We can't wait until next year!
