Kent SEND Information Report

Dear parents and carers,

The aim of this Information Report is to explain how we implement our SEND policy. In other words, we want to show you how SEND support works in our school.

As educational professionals, we are all working towards the ultimate goal of growing independent young people as they prepare for adulthood. All provision and support we provide is working towards achieving the Kent Children and Young People (CYP) Outcomes Framework:

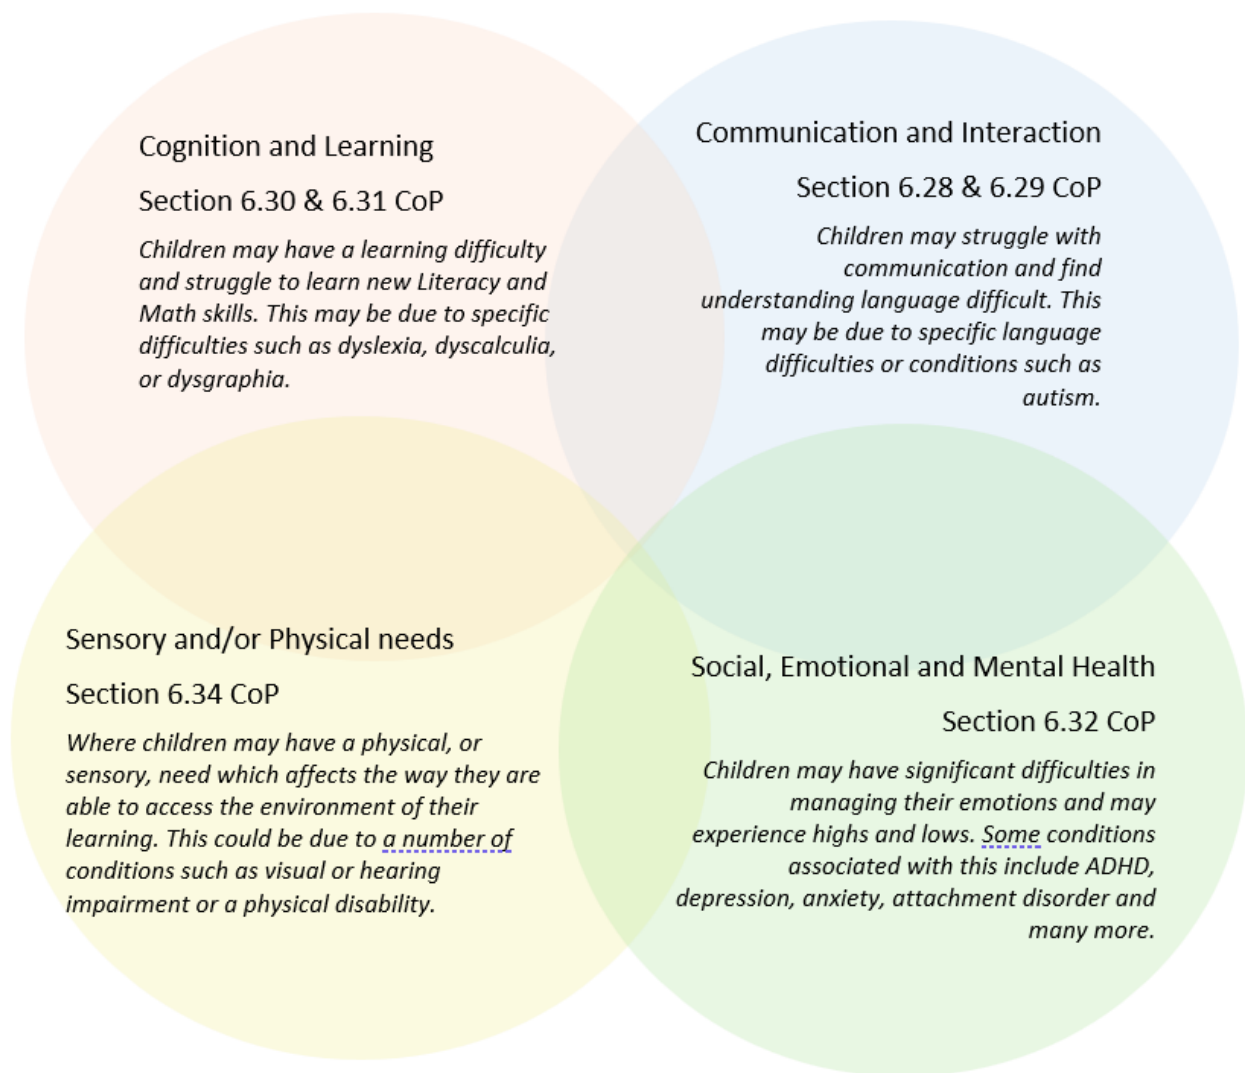

If you want to know more about our arrangements for SEND, read our SEND policy alongside this Information Report.

You can find our SEND policy on our website www.hawkhurst.kent.sch.uk

Note: If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

1. What types of SEND does the school provide for?

Our school provides for pupils with the following needs (as outlined in the SEND Code of Practice 2015):

Often you will find that children's needs overlap and are rarely confined to one area of need, which is why it is important to gain a wholistic overview of your child.

More information about the Areas of Need can be found in the Special educational needs and disability code of practice: 0 to 25 years (link below).

[SEND Code of Practice January 2015.pdf \(publishing.service.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/262312/SEND_Code_of_Practice_January_2015.pdf)

2. Which staff will support my child, and what are their key responsibilities?

At Hawkhurst CE Primary School all staff are considered responsible for supporting the needs of pupils with SEND. Our staff are committed to regular, high-quality training to ensure that they have the knowledge and skills to better meet a wide range of pupil needs.

Our Special Educational Needs Co-ordinator, or SENCO

The named SENCO is Mrs. Nicki Poland who is Assistant Headteacher and a qualified teacher.

She has 11 years experience in the role of SENCO and is also the Senior Mental Health Lead, is a trained ELSA (Emotional Literacy Support Assistant), a Youth Mental Health First Aider and Nurture Lead.

She achieved the National Award in Special Educational Needs Co-ordination in 2014 and completed her Senior Mental Health training with Place 2Be in 2022.

Class/subject teachers

All of our teachers receive in-house SEN training, and are supported by the SENCO to meet the needs of pupils who have SEN. Teachers also attend training relevant to their position and needs of their class.

All staff have been trained in the Mainstream Core Standards, AET Making Sense of Autism, Supporting primary aged children with SLCN, The Boxall Profile and Positive Handling training.

Teaching assistants (TAs)

We have a team of 13 TAs, including 2 higher-level teaching assistants (HLTAs) who are trained to deliver SEN provision.

We have teaching assistants who are trained to deliver interventions such as Sensory Circuits, BEAM, Precision Teaching, Speech and Language Link, ELSA, Number Stacks, Nurture, RWI Phonics, Lego Therapy, Colourful Semantics and Clever Fingers.

In the last academic year, TAs have received AET GAP training and DLD Awareness training.

External agencies

Sometimes we need extra help to offer our pupils the support that they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEND and to support their families. These may include:

- Speech and Language therapists
- Educational Psychologists
- Occupational Therapists
- NHS Neurodiversity team
- GPs or paediatricians
- Mental Health and Wellbeing Practitioners
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers

Social services and other LA provided support services including:

- NELFT practitioners
- Therapeutic practitioners
- Behaviour coaches
- Safeguarding services
- School Liaison Officer
- Specialist Teacher Service

3. What should I do if I think my child has SEND?

Phase 1	If you think your child might have SEND, raise your concern with the class teacher who will liaise with the SENCO.
Phase 2	We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are. Together we will decide what outcomes to seek for your child and agree on next steps. We will make a note of what's been discussed and add this to your child's record.
Phase 3	We will implement the agreed strategies and monitor these over an agreed period of time. These are likely to be universal strategies set out in the mainstream core standards. A copy of this can be found here: https://www.kelsi.org.uk/data/assets/pdf_file/0005/117257/Special-educational-needs-mainstream-core-standards-guide-for-parents.pdf . This will initiate the 'Graduated Approach' where support will be continually reviewed. See next page for more details.
Phase 4	If we decide that your child needs SEND support, we will formally notify you and your child will be added to the school's SEND register. They will receive additional support and this will be reviewed using the assess, plan, do, review model.

4. What happens if the school identifies a need?

All our class teachers are responsible for the monitoring of all pupils who have been identified as having SEND. They also review those who are not making the expected level of progress in their schoolwork or socially.

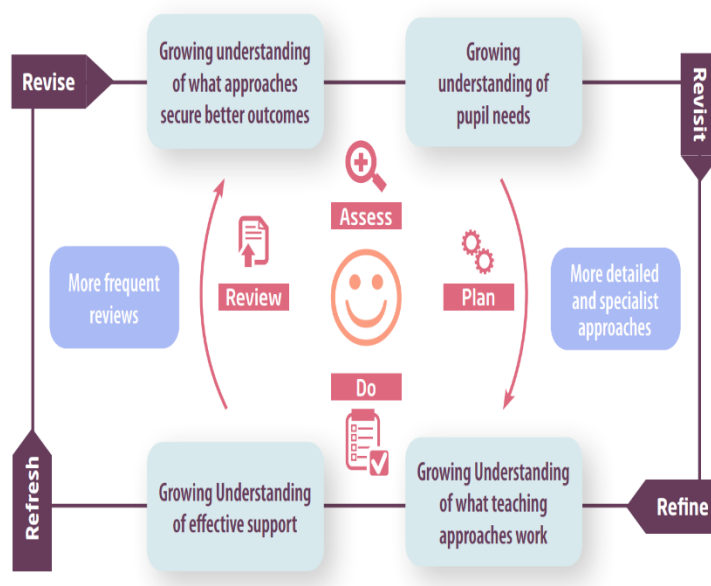

If the teacher notices that a pupil is having difficulties, they try to find out if the pupil has any gaps in their learning. If they can find a gap, the school will provide appropriate support. Pupils who don't have SEND usually make progress quickly once the gap in their learning has been filled.

If the pupil is still finding it difficult to make the expected progress, the teacher will talk to the SENCO, and will contact you to discuss the possibility that your child has SEND, and the school will follow the graduated approach (see previous page).

5. How will the school measure my child's progress?

We will follow the 'graduated approach' to meeting your child's SEND needs.

The graduated approach is a 4-part cycle of **assess, plan, do, review**.

Assess	If your child is not making the expected level of progress, we will make an assessment to find out what strengths and difficulties your child has. We will ask for you and your child's input, as well as getting help from external professionals where necessary.
Plan	In discussion with you and your child, we will decide what outcomes we are hoping to achieve. We will make a plan of the support we will offer your child to help them meet those outcomes. We will make a record of this and share it with you and all relevant school staff.
Do	We will put our plan into practice. The class teacher, with the support of the SENCO, will be responsible for working with your child on a daily basis, and making sure the support we put in place is having the impact we intended.
Review	We will assess how well the support we put in place helped the pupil to meet the outcomes we set. We will use our improved understanding of your child's needs to improve the support we offer; this may mean the Plan, Assess, Do, Review cycle continues.

6. How will I be involved in decisions made about my child's education?

We will provide termly reports on your child's progress.

A member of staff who knows your child well will meet you 3 times a year, to:

- Set clear outcomes for your child's progress
- Review progress towards those outcomes
- Discuss the support we will put in place to help your child make that progress
- Identify what we will do, what we will ask you to do, and what we will ask your child to do

The SENCO may also attend these meetings to provide extra support.

We know that you're the expert when it comes to your child's needs and aspirations. So, we want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEND support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

If you have concerns that arise between these meetings, please contact Nicki Poland, SENCO 01580 753254 / senco@hawkhurst.kent.sch.uk

7. How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age and individual needs. We recognise that no two pupils are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes
- Prepare a presentation, written statement, video, drawing, etc.
- Discuss their views with a member of staff who can act as a representative during the meeting
- Complete a survey

8. How will the school adapt its teaching for my child?

Your child's teacher is responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will adapt our approaches to how we teach to suit the way the pupil works best. There is no 'one size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child and are guided by the Mainstream Core Standards in the first instance.

Kent SEND Information Report

These adaptations may include:

Adapting our approaches, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.

Adapting our resources and staffing

Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.

Teaching assistants or support staff will support pupils appropriately depending on their presentation of need

Scaffolding lesson materials

We may also provide the following interventions:

Interventions in place to support pupils			
Cognition and Learning	Communication and Interaction	Social, Emotional and Mental	Physical/ Sensory
Maths support group RWI 1:1 Memory games Literacy support group Spelling support group Precision Teaching Dancing Bears Apples & Pears Write from the start Tailored Maths and English support groups.	Lego Group Black Sheep Resources Speech Link Intervention Language Link Colourful Semantics	1:1 support ELSA Counselling Lego Group FLO Social skills group Lunch Club	Sensory Circuits BEAM Clever Fingers Write Dance Fizzy Speed up

These interventions are part of our contribution to Kent County Council's local offer.

9. How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

- Reviewing their progress towards their outcomes each term
- Reviewing the impact of interventions half termly through Pupil Progress Reviews
- Using pupil questionnaires where relevant
- Monitoring by the SENCO
- Using provision maps to measure progress
- Holding an annual review (if they have an education, health and care (EHC) plan)
- Meeting with the Educational Psychologist for School Based Reviews

10. How will the school ensure my child has appropriate resources?

It may be that your child's needs mean we need to provide additional resources such as:

- Additional resources to support their learning
- Adaptations to in class support
- Further training for our staff
- External specialist expertise

Where appropriate, we will consult with external agencies to get recommendations on what will best help your child access their learning and use our best endeavours to ensure these are supplied.

11. How will the school make sure my child is included in activities alongside pupils who don't have SEND?

The expectation is that all schools provide an inclusive provision for all pupils. It may be necessary for some pupils to receive interventions in addition to a broad and balanced curriculum.

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs.

All pupils are encouraged to go on our school trips, including our residential trip in Year 6.

All pupils are encouraged to take part in sports day, school plays and special workshops.

No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included.

12. How does the school make sure the admissions process is fair for pupils with SEN or a disability?

- For the admission of prospective pupils with a disability and prospective pupils with SEN, we would look to meet with parents and the pupil prior to starting school. as We would seek any medical reports and liaise with any previous settings.
- All prospective pupils whose EHC plan names the school are given priority
- Any pupil with an EHC Plan which names Hawkhurst CE Primary School will be admitted. As a result of this, the published admissions number will be reduced accordingly before places are allocated to other pupils.

13. How does the school support pupils with disabilities?

How we support pupils with disabilities.

As part of the school's accessibility planning, Hawkhurst has the following:

- Care Suite and disabled toilet
- Disabled parking bays
- Secure fencing around the school site
- Secure entry into the main school site and building
- Updated CCTV system

Please refer to our Accessibility Plan :

<https://www.hawkhurst.kent.sch.uk/assets/Documents/Policies/Accessibility-Policy-2024.pdf>

You're disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

14. How will the school support my child's mental health and emotional and social development?

As a Nurture UK School, we provide support for pupils to progress in their emotional and social development in the following ways:

- Pupils with SEND are encouraged to be part of the school council
- Pupils with SEND are also encouraged to be part of all clubs to promote teamwork/building friendships
- We provide extra pastoral support for listening to the views of pupils with SEND
- We run a lunch time nurture club for pupils who need extra support with social or emotional development

- We have access to the NHS Kent Emotional Wellbeing Team and can refer for support for children and their families as well as run workshops for children in school.
- We have a 'zero tolerance' approach to bullying. We prevent bullying in the school by having a robust behaviour policy (Good to be Green)

15. What support is in place for looked-after and previously looked-after children with SEND?

The Headteacher and/or Family Liaison Officer will work with Nicki Poland, our SENCO, to make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEND might interact, and what the implications are for teaching and learning.

Pupils who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after pupils will also have a personal education plan (PEP). We will make sure that the PEP and any SEND support plans or EHC plans are consistent and complement one another.

16. What support will be available for my child as they transition between classes or settings or in preparing for adulthood?

Between years

To help pupils with SEND be prepared for a new school year we:

- Ask both the current teacher and the next year's teacher to attend a meeting at the end of the year when the pupil's SEND is discussed
- Schedule lessons with the incoming teacher towards the end of the summer term
- Transition booklets are prepared and shared with children and their families

Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting.

Between phases

The SENCO of the secondary school will come into our school for a meeting with our SENCO. They will discuss the needs of all the pupils who are receiving SEND support.

Pupils will be prepared for the transition by:

- Learning how to get organised independently
- Plugging any gaps in knowledge
- Attending transition days / events
- Using transition booklets which have been prepared

17. What support is available for me and my family?

If you have questions about SEND, or are struggling to cope, please get in touch to let us know. We want to support you, your child and your family.

To see what support is available to you locally, have a look at KCCs local offer.

<https://www.kelsi.org.uk/special-education-needs/send-information-hub>

Other links:

Our local special educational needs and disabilities information advice and support services (SENDIASS) organisations are:

- Information, Advice and Support Kent (IASK) <https://www.iask.org.uk> – a free, confidential and impartial service based in Kent to support you and your family. IASK also offer parent workshops and local events.
- Kent Parent and Carer Together – parent carer forum for parents of children and young people with disabilities.

Local charities that offer information and support to families of children with SEND are:

- Space 2 Be Me <https://space2beme.org.uk> – Maidstone, Tonbridge and Malling and Tunbridge Wells.

For early years

- Children Centres - meet other parents, have fun or get information, advice and support
- Early Help support - find local services that supports Kent families with the educational, social and emotional needs of children.
- Health Visiting Service - specialist community public health nurses who help new parents and those with children under 5 with expert advice and support.

Kent SEND Information Report

- Kent Children and Families Information Service (CFIS) - provides impartial childcare advice.
- Portage - work with families and focus on play activities to help your child grow.
- Start for Life - improves the health of babies and children from conception to age 2.

2. For children and young people

- Kent Resilience Hub resources - a wide range of resources to support your child growing up into adulthood and understanding their behaviour.
- MASHs centres - attend appointments with different services in the same place on the same day, including members from health, social care, education and voluntary services.
- Short breaks - a positive, fun activity for disabled children (0-18) to take part in. They can be anything from an after-school activity or weekend club to an overnight stay.
- Support for carers - help and support for those who regularly care for another person in Kent.

National charities that offer information and support to families of pupils with SEND are:

IPSEA	https://www.ipsea.org.uk/
SEND family support	https://sendfs.co.uk/
NSPCC	https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/supporting-children-special-educational-needs-disabilities/
Family Action	https://www.family-action.org.uk/what-we-do/children-families/send/
Special Needs Jungle	https://www.specialneedsjungle.com/

18. What should I do if I have a complaint about my child's SEND support?

Please follow our Complaints Procedure:

<https://www.hawkhurst.kent.sch.uk/assets/Documents/Policies/complaints-policy.pdf>

Complaints about SEND provision in our school should be made to the SENCO or Headteacher in the first instance. They will then be referred to the school's complaints policy.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEND Code of Practice](#).

If you feel that our school discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first-tier SEND tribunal. To find out how to make such a claim, you should visit: <https://www.gov.uk/complain-about-school/disability-discrimination>

You can make a claim about alleged discrimination regarding:

- Admission
- Exclusion
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal: <https://www.kelsi.org.uk/special-education-needs/special-educational-needs/mediation-and-resolution>

19. Supporting documents

- *Equality Information and Objectives Policy*
- *Child protection and safeguarding policy*
- *Behaviour Policy*
- *Accessibility Plan*
- *Attendance and punctuality policy*
- *SEND policy*
- *SEN & Disabilities Code Of Practice 2015*
- *Mainstream Core Standards*

20. Glossary

- **Access arrangements** – special arrangements to allow pupils with SEND to access assessments or exams
- **Annual review** – an annual meeting to review the provision in a pupil's EHC plan
- **Area of need** – the 4 areas of need describe different types of needs a pupil with SEND can have. The 4 areas are communication and interaction; cognition and learning; physical and/or sensory; and social, emotional and mental health needs.
- **CAMHS** – child and adolescent mental health services
- **Differentiation** – when teachers adapt how they teach in response to a pupil's needs
- **EHC needs assessment** – the needs assessment is the first step on the way to securing an EHC plan. The local authority will do an assessment to decide whether a child needs an EHC plan.
- **EHC plan** – an education, health and care plan is a legally-binding document that sets out a child's needs and the provision that will be put in place to meet their needs.
- **First-tier tribunal/SEND tribunal** – a court where you can appeal against the local authority's decisions about EHC needs assessments or plans and against discrimination by a school or local authority due to SEND
- **Graduated approach** – an approach to providing SEND support in which the school provides support in successive cycles of assessing the pupil's needs, planning the provision, implementing the plan, and reviewing the impact of the action on the pupil
- **Intervention** – a short-term, targeted approach to teaching a pupil with a specific outcome in mind
- **Local offer** – information provided by the local authority which explains what services and support are on offer for pupils with SEND in the local area
- **Outcome** – target for improvement for pupils with SEND. These targets don't necessarily have to be related to academic attainment
- **Reasonable adjustments** – changes that the school must make to remove or reduce any disadvantages caused by a child's disability
- **SENCO** – the special educational needs co-ordinator
- **SEN** – special educational needs
- **SEND** – special educational needs and disabilities
- **SEND Code of Practice** – the statutory guidance that schools must follow to support pupils with SEND
- **SEND information report** – a report that schools must publish on their website, that explains how the school supports pupils with SEND
- **SEND support** – special educational provision which meets the needs of pupils with SEND
- **Transition** – when a pupil moves between years, phases, schools or institutions or life stages
